

GUNPOWDER ELEMENTARY GIFT BOOK PROGRAM

TO THE PARENTS OF _____

TEACHER/GRADE _____

The Gunpowder Gift Book Program is a way of increasing and updating our library with new and exciting reading adventures for our children. For a donation of \$15.00, your child will be able to select a book of his or her choice from a collection of new books held in reserve for this program.

GIFT BOOKS can be purchased throughout the year for birthdays, holidays, and end of the year gifts. Even our teachers love to receive them!

After your donation is received, your child will select his or her book during library class. A book plate will then be placed in the book honoring your child's birthday or special occasion. Your child will be the first to bring home this new book to share with family and friends! The book will then be returned to the library for all the children to enjoy.
