

Stampede to Success with Gunpowder Elementary PTA

More than 30 years of research has shown that children do better in school when their parents are involved both at home and at school. Joining PTA is one of the easiest ways to get involved at your child's school. You can be involved as much or as little as you prefer. Your annual membership dues will help support Gunpowder PTA's many contributions to its students, teachers and community. If you have the ability and willingness to do more, there are several volunteer opportunities both great and small. In addition, there are also benefits to you as a member.

YOU ARE  TO JOIN OUR PTA!!!
